PROFESSIONAL EXPERIENCE

1. Communication & Marketing Officer | The Life Changing Foundation (LCF) Pakistan (April 2025 – Present)

Sindh-wide disability-services nonprofit headquartered in Gambat, operating across Karachi, and Interior Sindh

- Direct strategic communications, branding, and donor storytelling across LCF's ten program areas - including Rehabilitation Services, WASH, Food & Nutrition, Livelihood, Skills Development, Assistive Technology, Health & Medical Outreach, Advocacy & Legal Aid, Education, and the Shanakht identity-documentation program - translating program and M&E data into donor-ready narratives.
- Author CSR and Donation-in-Kind (DIK) funding proposals for corporate partners, including a solar-energy sustainability proposal submitted to a major telecom operator's Call for Sustainability Project Proposals, and DIK proposals to a leading textile group securing in-kind support for assistive hearing devices and adaptive school uniforms for children with disabilities.
- Write, design, and produce donor- and board-facing organizational presentations and fundraising kits, leading a full editorial and visual rebrand of LCF's master organizational presentation.
- Plan and write campaign copy for crowdfunding initiatives, including an assistive-technology campaign launched on an international crowdfunding platform.
- Partner with M&E, program, and leadership teams to verify every external communication and donor narrative is grounded in accurate organizational data, protecting donor trust and reporting accuracy.

2. Editor | Madzine / Madvertising (January 2023 – March 2025)

Part-time / freelance, held alongside the LCF Pakistan role

- Directed editorial content development for a digital magazine end-to-end - planning, writing, and editing content through publication.
- Researched, wrote, and edited feature articles, trend analyses, and campaign content, applying broadcast-honed editorial standards to digital publishing.
- Managed SEO and content strategy for marketing clients, collaborating cross-functionally on content that contributed to a 10% increase in client revenue.

3. Marketing Manager | Dr. Aisha Health Vision Hospital (October 2022 – December 2022)

Part-time, held alongside the LCF Pakistan role

- Coordinated event management, networking, and partnership initiatives, ensuring accuracy and compliance throughout execution.
- Led marketing initiatives and cross-team coordination to strengthen brand presence and community outreach.

4. **Social Media & Marketing Executive** | TCF College (June 2022 – September 2022)

Part-time, held alongside the LCF Pakistan role

- Partnered with HR and Research departments to plan and execute social media and marketing activity across the college.

5. **Media & Content Professional** | GTV Network | Pakistan Press Foundation | Asia Net | KTN News | Awaz TV | Royal Karachi News (June 2017 – May 2022)

Five-year run across national broadcast and digital newsrooms as feature writer, editor, and scriptwriter

- Reported, wrote, and edited feature and investigative stories across six national broadcast and digital outlets, consistently meeting daily and weekly editorial deadlines.
- Wrote and edited scripts for TV and digital news bulletins, adapting stories for broadcast pacing, on-air delivery, and multi-platform distribution.
- Served on the core production team for the Charna Island Marine Life Documentary, an environmental/wildlife documentary that earned a nomination among 32 international entries, contributing to research, scripting, and story development.
- Produced the AI & News 2.0 documentary exploring the intersection of artificial intelligence and news media, from concept through completion.
- Covered long-form investigative features on current affairs, social issues, and environmental topics across print, digital, and TV formats.
- Built editorial relationships across six broadcast and digital newsrooms, developing versatility in fast-turnaround, high-pressure news environments.
- Applied camera and production fundamentals to field reporting and documentary shoots, supporting multimedia storytelling from script to screen.

6. **Desk Reporter** | Royal Karachi News (November 2016 – May 2017)

Entry-level newsroom role that launched a five-year run in broadcast and digital journalism

- Covered local news beats, gathering, verifying, and drafting news reports under daily deadlines.
- Built foundational skills in news writing, fact-checking, and editorial workflow that underpinned five years of investigative, feature, and multimedia journalism across five national outlets.
- Worked closely with senior editors to learn newsroom sourcing, verification standards, and house style.

EDUCATION

1. **Bachelor of Media Sciences** | SZABIST University, Karachi - Specialization in Journalism (September 2021 – October 2025)

- Coursework: Investigative Journalism, Digital News Reporting, TV Journalism, Multimedia Journalism, Feature Writing, Copywriting & Visualization, Campaign Strategy.
- Recognized for storytelling and presentation skills on university projects.
