

NIZAM-UDDIN KHASKHELI

Strategic Communications Professional | Donor Storytelling & Editorial Leadership

Karachi, Pakistan | +92-321-1263406 | nizamkhaskheli988@gmail.com

[Portfolio](#) | [LinkedIn](#) | [Muck Rack](#)

PROFESSIONAL SUMMARY

Strategic communications professional with 9+ years spanning national broadcast journalism and nonprofit donor storytelling. Built a five-year newsroom career across five broadcast and digital outlets in Sindh: GTV Network, Pakistan Press Foundation, Asia Net, KTN News, and Awaz TV, including a production and research role on the Charna Island Marine Life Documentary, nominated among 32 international entries. Since April 2025, applies that newsroom rigor as Communication & Marketing Officer for a Sindh-wide disability-services nonprofit, authoring CSR and Donation-in-Kind proposals for corporate partners and leading donor storytelling across ten program areas. Seeking a senior journalism, editorial, communications, or content leadership role at a national or international organization.

CORE COMPETENCIES

- Strategic Communications & Brand Storytelling
- Editorial Leadership & Copy Editing
- Broadcast & Digital News Reporting
- Fundraising & Campaign Copywriting
- SEO & Content Writing
- Cross-Functional Stakeholder Coordination
- Donor Communications & CSR/DIK Proposal Writing
- Investigative & Feature Journalism
- Media Relations & Crisis Communications
- Documentary Production & Scriptwriting
- Multimedia Storytelling & Camera/Production Basics
- Research Writing

PROFESSIONAL EXPERIENCE

Communication & Marketing Officer

The Life Changing Foundation (LCF) Pakistan | April 2025 – Present

Sindh-wide disability-services nonprofit headquartered in Gambat, operating across Karachi and Interior Sindh

- Direct strategic communications, branding, and donor storytelling across LCF's ten program areas - including Rehabilitation Services, WASH, Food & Nutrition, Livelihood, Skills Development, Assistive Technology, Health & Medical Outreach, Advocacy & Legal Aid, Education, and the Shanakht identity-documentation program - translating program and M&E data into donor-ready narratives.
- Author CSR and Donation-in-Kind (DIK) funding proposals for corporate partners, including a solar-energy sustainability proposal submitted to a major telecom operator's Call for Sustainability Project Proposals, and DIK proposals to a leading textile group securing in-kind support for assistive hearing devices and adaptive school uniforms for children with disabilities.
- Write, design, and produce donor- and board-facing organizational presentations and fundraising kits, leading a full editorial and visual rebrand of LCF's master organizational presentation.
- Plan and write campaign copy for crowdfunding initiatives, including an assistive-technology campaign launched on an international crowdfunding platform.
- Partner with M&E, program, and leadership teams to verify every external communication and donor narrative is grounded in accurate organizational data.

Editor

Madzine / Madvertising | January 2023 – May 2025

Digital media publication (Madzine) and its parent advertising agency (Madvertising), under shared ownership

- Progressed from Content Writer to Reporter and Researcher to Editor at Madzine, while concurrently serving as Executive Content Manager at Madvertising.
- Directed Madzine's editorial content end-to-end - planning, writing, and editing through publication - authoring 100+ editorials and 150+ news stories in line with journalistic ethics and standards.
- Interviewed business owners, consultants, and certified corporate trainers as part of original reporting and features.
- Managed SEO and content strategy for marketing clients at Madvertising, contributing to a 10% increase in client revenue.

Research Intern

The Citizens Foundation | January 2022 – May 2023

Research & Knowledge Sharing Department, Head Office

- Visited schools to observe and document data on education quality as part of the Research & Knowledge Sharing Department.
- Conducted interviews with school facilitators to gather qualitative research data.
- Transcribed and translated interviews from Urdu, Sindhi, and local languages into English and Urdu, supporting accurate documentation for internal research use.

Marketing Manager

Dr. Aisha Health Vision Hospital | October 2022 – December 2022 (Part-time)

- Coordinated event management, networking, and partnership initiatives, ensuring accuracy and compliance throughout execution.
- Led marketing initiatives and cross-team coordination to strengthen brand presence and community outreach.

Social Media & Marketing Executive

TCF College | June 2022 – September 2022 (Part-time)

- Partnered with HR and Research departments to plan and execute social media and marketing activity across the college.

Media & Content Professional

GTV Network, Pakistan Press Foundation, Asia Net, KTN News, Awaz TV | June 2017 – May 2022

Freelance contributor across five national broadcast and digital newsrooms

- Reported, wrote, and edited feature and investigative stories across five national broadcast and digital outlets, consistently meeting daily and weekly editorial deadlines.
- Wrote and edited scripts for TV and digital news bulletins, adapting stories for broadcast pacing, on-air delivery, and multi-platform distribution.
- Served on the core production team for the Charna Island Marine Life Documentary, an environmental and wildlife documentary nominated among 32 international entries, contributing to research, scripting, and story development.
- Produced the “AI & News 2.0” documentary exploring the intersection of artificial intelligence and news media, from concept through completion, as a final year project.
- Covered long-form investigative features on current affairs, social issues, and environmental topics across print, digital, and TV formats.
- Applied camera and production fundamentals to field reporting and documentary shoots.

Desk Reporter

Royal Karachi News | November 2016 – May 2017

- Covered local news beats, gathering, verifying, and drafting news reports under daily deadlines.
- Built foundational skills in news writing, fact-checking, and editorial workflow that underpinned five years of investigative, feature, and multimedia journalism.
- Worked closely with senior editors to learn newsroom sourcing, verification standards, and house style.

VOLUNTEER EXPERIENCE

Volunteer Tutor

Human Care Development Organisation

- Taught underprivileged children informally, giving back to the educational NGO attended as a student in earlier years, alongside formal schooling.

Rover Scout

AGM Scouts (Sindh Boy Scouts Association)

- Progressed from Boy Scout to Rover Scout with AGM Scouts (Sindh Boy Scouts Association), leading first aid camps, traffic management, and rescue operations during urban flooding in Karachi.

EDUCATION

Bachelor of Media Sciences - Specialization in Journalism

SZABIST University, Karachi | September 2021 – July 2025

- Coursework: Investigative Journalism, Digital News Reporting, TV Journalism, Multimedia Journalism, Feature Writing, Copywriting & Visualization, Campaign Strategy.
- Recognized for storytelling and presentation skills on university projects.
- Final year project: “AI & News 2.0” documentary (see Media & Content Professional experience above).
